# BOUTIQUE WINE SELECTION

## WHY BOUTIQUE WINES?

While the world of wine has evolved dramatically from these early days towards a system of mass production and worldwide distribution, there is today a growing interest in the wines of smaller, local producers. These boutique, artisanal wines embody the original spirit of wine making, inspired by personal passion and a state of mind which values a hands-on approach and a desire to stay close to the land and to tradition.

Raya Heritage's boutique wine selection intends to capture this spirit by introducing the exceptional wines of some of these smaller winemakers to you, our guests.
