THE RAYA

CURATED COLLECTION

January 1, 2020 - Bangkok, The Raya Curated Collection marks its inauguration with the launch of its online shopping platform. Featuring a treasure trove of decorative items and lifestyle products.

Our story begins with our family of luxury accommodations in the North and South of Thailand - Rayavadee in Krabi – where locally made crafts and artisanal products from all over the country and beyond have been hand-selected to adorn each property with a unique personal touch. The Lanna motifs and artefacts at Raya Heritage in Chiang Mai, traditional tribal ornaments at Tamarind Village in Chiang Mai and the custom-design tropical pieces at Rayavadee are brought together under The Raya Curated Collection, creating a treasure trove of polished simplicity and elegance that has perfectly harmonized heritage with modernity.
